

The Board of Directors has initiated a “**Two for One**” new member special for the 2008 golf season. With the special two individuals (age 35 and older) who have not been a member of the club since December 31, 2006 may join for \$775 each, or \$600 each (age 34 and younger). The board has also authorized a new “**Limited Golf**” membership with a cost of \$500 which includes 10 rounds of golf with a cart for the 2008 season. If you know someone interested in joining our club please call Dave at 781-5310 for more details.

Our annual Clean-Up Day was held on Saturday April 19. A gigantic thank you goes to all who were able to help. A list of volunteers is posted on the bulletin board. A special thank you goes to Jerry Irvin and Wayne Thomas for the equipment they provided.

Our credit card machine is up and running in both the restaurant and the pro shop. Credit cards will be accepted for “point of sale” basis only. That is you may pay your daily tab from the restaurant or pro shop that day. Credit cards will not be accepted to pay monthly statements or annual charges.

Our social membership generously donated more than \$1000 this spring to the “House Improvement” fund. During the past year our broiler had broke down several times and this spring the repair company informed us that it was not repairable. The board approved the purchase of a new broiler with the improvement fund monies which was purchased and installed last month.

I would like to stress the importance of making reservations for dinner. Due to the increase in dining business, it has become ever more important for our planning that members please call 781-5310 and make a reservation. This is particularly important for both Wednesday (Family) and Friday Nights. Regular dining is scheduled for Wednesday, Thursday, Friday and Saturday this month. Please invite a friend or two and plan to join us.
