

Nice weather has finally arrived and it is great to see our membership enjoying their country club once again. There have been a lot of questions these first couple of weeks that should be addressed. First, our membership stands at 116 golfing members. This number is significantly lower than years past and lower than the projections that were made when we did the budget for this year. The board has come up with a plan to get us through the current fiscal year and is formulating a long term plan for the future. Comprehensive expense cutting and lifetime memberships will provide us with needed resources to get through this year and an aggressive membership drive this fall will provide for the future. We are also taking advantage of several current opportunities to increase revenue as you will see with the Michigan Banker's Association golf outing on Thursday May 21<sup>st</sup> and The United Way Outing on May 30<sup>th</sup>.

Easter brunch was a great success. We served 189 brunches this year up from 150 last year. Dan and his staff are gearing up for Mother's Day Brunch which will be held on Sunday May 10<sup>th</sup>, call 781-5310 for reservations.

Our annual Clean-Up Day was held on Saturday April 18. A gigantic thank you goes to all who were able to help. A list of volunteers is posted on the bulletin board. A special thank you goes to Jerry Irvin and Wayne Thomas for the equipment they provided for the course.

Please note that we will be hosting the Michigan Banker's Association outing and dinner on **Thursday May 21st**. The course will be closed from 1:00 pm to 6:00 pm. We will also be hosting the Boy's state regional golf tournament on **Friday May 29<sup>th</sup>** closing the course until 5:00 pm and The United Way Golf Outing on **Saturday May 30<sup>th</sup>** closing the course from 10:00 am to 4:00 pm. We apologize for the inconvenience.
